Parenting Your Behaviorally Challenged Child

Need help in dealing with challenging behaviors? Get a better understanding of why your child explodes when things don't go their way regardless of a specific diagnosis or no diagnosis. Based on the book 'The Explosive Child' by Ross Greene, Ph.D., we'll discuss the book and how to apply the techniques. \$30 cash fee due at first class for book & handouts. Inst: Sarah Gardner, Director of Autism Spectrum of Support.
