*Creating Community through People, Parks & Programs*

## Dear Members of the Irvine Community:

This quarter's Activity Guide cover features the Mobile Recreation program which is a component of our Community Outreach service. Each weekday, trained recreation leaders engage children in fun, creative, old-fashioned recreational activities at local parks easily accessible to them. Community Outreach also provides health insurance referrals, tax preparation, family counseling, youth job placements and services to seniors. These programs are offered at low cost or free of charge. For more information about Mobile Recreation, Outreach and other Community Services programs, visit [www.ci.irvine.ca.us/depts/cs](http://www.ci.irvine.ca.us/depts/cs) or call (949) 724-6600.

If you are looking for a "stay-cation" this season, travel "south of the border" with us for a one-night family getaway to Las Lomas Park where we will be celebrating Cinco de Mayo with friends and neighbors. The \$16 fee includes food, fun, crafts and games for the entire family. In June, we will visit the Islands of Hawaii at Deerfield Park, and don't miss the Earth Day Celebration on April 25 in Bommer Canyon. Event information is available at [www.IrvineQuickreg.org](http://www.IrvineQuickreg.org).

We know you'll find participation in this quarter's programs an excellent and economical way to spend your valuable leisure time.

Sincerely,

**Paula Burrier-Lund**  
Director of Community Services
