

# Irvine Animal Care Center Foster Care Orientation

Do you know a caring person who is willing to help raise orphaned puppies or kittens or help a nursing cat or dog with her babies? Could you be the one to assist a mature dog or cat through it's recuperation from surgery or medical treatment?

If you or someone you know is interested in fostering animals, please contact the Irvine Animal Care Center to participate in our foster care training class. The Irvine Animal Care Center will provide all the supplies you need to care for these furry friends as well as provide medical care. **All you provide is your hearts, your homes, and your time!**
