Creating Community through People, Parks & Programs

Dear Members of the Irvine Community:

Summer is fast approaching and the weather is getting warmer, so now is the time to take advantage of the numerous outdoor choices available to you in Irvine. You can swim like an Olympian at Woollett Aquatics Center, ride a bike down one of our scenic and well-maintained trails, walk a nearby greenbelt, hike in Irvine's open spaces or listen to a symphony in the park.

When it's time to choose what to do with the children when school is out, explore the more than 40 different camp options included in this guide. Slots are still available in most camps and new options have been added. Program offerings include full and half day, full week and partial week, park-site and excursion based. Need just a day or two here or there? Our iCamps and Club X are the perfect choice. For campers who enjoy tennis, pair a morning of tennis with an afternoon of Chess, Music, Swimming or Video games. Other camp choices include Science, Nature, Acting, Skateboarding, Art, Sports, and much more!

Don't have children to entertain? Entertain yourself with a summer concert by the Pacific Symphony or "rock out" with the U2 tribute band. Take a hike on the Fourth of July to see the fireworks, or enroll in the Travel Photography class.

Irvine is a great place to live, work and play, so make the most of your summer and choose to play with the City of Irvine Community Services Department. Have a great summer!

Sincerely,

Paula Burrier-Lund
Director of Community Services
