ANNOUNCEMENTS/COMMITTEE REPORTS/COUNCIL REPORTS

Mayor Pro Tempore Shea provided a brief report on her recent trip to New York City from November 14 through 17, having been invited to share how the City brought forward its historic organics first landscaping policy, and how the City successfully transitioned from synthetic to organic landscaping policies. While in New York, she met with several representatives from New York City, community leaders, and representatives from the New York State Assembly. A bill is in the process of being drafted which will mirror the City’s Integrated Pest Management program, to which Mayor Pro Tempore Shea and Community Services Commissioner, Kim Konte, will assist with the bill’s language.

Mayor Wagner noted that he, along with several other Mayors, was invited to attend the inauguration of Mexican President-elect Andres Lopez Obrador in Mexico City this upcoming weekend and was not able to attend the Winter Wonderland event; and made the following announcements:

- On Sunday, December 2, the Civic Center turns into a Winter Wonderland from 3 to 7 p.m., where children can enjoy crafts and activities, as well as train rides around the Civic Center. A Joyful Jingles holiday program will provide music, and Santa will stop by for a visit. At 5 p.m., Mayor Pro Tempore Shea, on behalf of Mayor Wagner, will preside over a tree-lighting ceremony, which will include “snow” falling over the piazza. Guests are encouraged to bring a new, unwrapped gift suitable for infants or children up to age 12 to support the families of Irvine’s adopted 2/11 Marine Battalion. For information, visit cityofirvine.org or call 949-724-6606.

- On Sunday, December 9, the Irvine Animal Care Center will host its 12th annual Home for the Holidays pet adoption fair from 10 a.m. to 2 p.m., where approximately 600 homeless dogs, cats, rabbits, and small animals will be available for adoption from the Irvine Animal Care Center and other area rescue groups. Pet-related vendors, gourmet food trucks, a silent auction, low-cost microchipping and an opportunity drawing will be available. Suggested donation for the event is $2 per person, or $5 per family; and parking is free. For information, visit irvineanimals.org or call 949-724-7740.
An interactive map is now available to the community for tracking development proposals. The map features an overview of major developments approved in the last five years, including those under construction and recently completed. The map will be regularly updated as new proposals are submitted for review and as major projects start construction. To view the map, visit cityofirvine.org and click on the Transparency Portal link.

REQUEST FOR CITY COUNCIL ACTION

MEETING DATE: JANUARY 8, 2019

TITLE: RESOLUTIONS OF INTENTION TO INITIATE CHANGE PROCEEDINGS AND DESIGNATE COMMUNITY FACILITIES DISTRICT NO. 2013-3 IMPROVEMENT AREA NO. 10, AUTHORIZE LEVY OF SPECIAL TAXES, AND INCUR BONDED INDEBTEDNESS

RECOMMENDED ACTIONS

1. Adopt - A RESOLUTION OF CONSIDERATION AND INTENTION OF THE CITY COUNCIL OF THE CITY OF IRVINE, CALIFORNIA, AS THE LEGISLATIVE BODY OF CITY OF IRVINE COMMUNITY FACILITIES DISTRICT NO. 2013-3 (GRAT PARK), TO CHANGE AND MODIFY AN EXISTING IMPROVEMENT AREA AND THEREBY DESIGNATE AN ADDITIONAL IMPROVEMENT AREA, IMPROVEMENT AREA NO. 10, WITHIN CITY OF IRVINE COMMUNITY FACILITIES DISTRICT NO. 2013-3 (GREAT PARK) AND TO AUTHORIZE THE LEVY OF SPECIAL TAXES

EXECUTIVE SUMMARY

In March 2013, the City Council established Community Facilities District No. 2013-3, Great Park (the District), for the purpose of financing certain public facilities and services, per request from Heritage Fields El Toro, LLC (the Developer). At the time of formation, three improvement areas were designated, and were authorized to incur bonded indebtedness. Improvement Area No.1 (IA-1), known as Pavilion Park, was designated as the initial phase of the development; Improvement Area No. 3 (IA-3) was designated as the Orange County Great Park. The remaining land of the District was designated as Improvement Area No. 2 (IA-2), with the intention of subdividing into smaller improvement areas as development progresses. The subsequent subdivision of land in IA-2 has
resulted in a total of nine improvement areas as of March, 2018. On December 10, 2010, the Developer petitioned the designation of Improvement Area No. 10 (IA-10).

**COMMISSION/BOARD/COMMITTEE RECOMMENDATION**

Not applicable.

**ANALYSIS**

The District was formed on March 26, 2013 under the Amended and Restated Development Agreement (ARDA) between the City and the Developer dated December 27, 2010. Three improvement areas were designated and authorized to incur bonded indebtedness at the time of formation. IA-3 was designated as the Orange County Great Park. All taxable land in IA-1 and IA-2 was owned by the Developer, with IA-2 intended for subdivision into smaller improvement areas as development progressed. In October 2014, Improvement Areas No. 4 and 5 were designated, followed by the designation of Improvement Areas No. 6 and 7 in September 2015, Improvement Area No. 8 in October 2015, and Improvement Area No. 9 in March 2018.

The City Council, as the legislative body of the District, received a petition from the Developer on December 10, 2018, for the designation of IA-10. The proposed IA-10 consists of approximately 105 acres. It is located south of Chinon, north of Treble, and west of Cadence, as shown on the Proposed Boundary Map (Attachment 1). IA-10 is currently planned for residential development with an estimated 429 detached and 247 attached homes.

The resolution of intention to designate IA-10 and authorize the levy of special taxes (Attachment 2) and the resolution declaring the intention to incur bonded indebtedness (Attachment 3) call for a public hearing be held on Tuesday, February 12, 2019 at 4:00 p.m., or soon thereafter, to consider the designation of IA-10 and determine the need to incur bonded indebtedness for this improvement area. The special tax generated by IA-10 will be used primarily to fund backbone infrastructure benefiting the Great Park Neighborhoods and the Orange County Great Park (OCGP), and to fund operations and maintenance at the OCGP, as stipulated in the ARDA and other development agreements between the City and the Developer. Once the Developer requests a bond issuance for this improvement area, staff will return to the City Council for authorization to issue bonds.

**ALTERNATIVES CONSIDERED**

The City Council could choose not to adopt the resolutions to initiate change proceedings to designate IA-10. This alternative would be inconsistent with the intent of existing agreements between the City and the Developer.
FINANCIAL IMPACT

The approval of the two attached resolutions which authorize the designation of IA-10 will have no financial impact to the City. Special tax generated from IA-10 will provide funding for authorized facilities and services as defined in the ARDA.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Irvine, as the Legislative Body of City of Irvine Community Facilities District No. 2013-3 (Great Park), as follows:

SECTION 1. For purposes of contributing to the financing of the Facilities and Services to be financed by the improvement area, the City Council proposes to designate a portion of the Community Facilities District as a new improvement area. The boundaries of the portion of the Community Facilities District proposed to be designated as a new improvement area are described as Improvement Area No. 10 in the Boundary Map showing the proposed improvement area (the "Boundary Map") on file with the City Clerk (the “Clerk”), which boundaries are hereby preliminarily approved and to which map reference is hereby made for further particulars. The Clerk is hereby directed to sign the original Boundary Map and record, or cause to be recorded, the Boundary Map with all proper endorsements thereon in the office of the County Recorder within 15 days of the date of adoption of this Resolution, all as required by Section 3111 of the California Streets and Highways Code.

SECTION 2. The improvement area designated within the Community Facilities District is proposed to be known as “Improvement Area No. 10 of City of Irvine Community Facilities District No. 2013-3 (Great Park)” (“Improvement Area No. 10”).

SECTION 3. The public facilities (the “Facilities”) and services (the “Services”) authorized to be financed by Improvement Area No. 10, pursuant to the Act are described on Exhibit A hereto, which is by this reference incorporated herein. All or any portion of the Facilities and Services may be financed through a financing plan, including, but not limited to, a lease, lease-purchase or installment-purchase arrangement.

SECTION 4. Except where funds are otherwise available, a special tax sufficient to pay for all Facilities and Services, secured by recordation of a continuing lien against all nonexempt real property in Improvement Area No. 10, will be annually levied within Improvement Area No. 10. The rate and method of apportionment of the special tax for Improvement Area No. 10 (the “Rate and Method”), in sufficient detail to allow each landowner within the proposed Improvement Area No. 10 to estimate the maximum amount that he or she will have to pay, is described in Exhibit B attached hereto, which is by this reference incorporated herein. The conditions under which the obligation to pay
the special tax for Improvement Area No. 10 may be prepaid and permanently satisfied are specified in the Rate and Method. The special tax for Improvement Area No. 10 will be collected in the same manner as ordinary *ad valorem* property taxes or in such other manner as the City Council shall determine, including direct billing of the affected property owners. The tax year after which no further special tax for Improvement Area No. 10 to pay for public facilities will be levied against any parcel used for private residential purposes is specified in the Rate and Method. Under no circumstances shall the special tax for Improvement Area No. 10 levied in any fiscal year against any parcel used for private residential purposes be increased as a consequence of delinquency or default by the owner or owners of any other parcel or parcels within Improvement Area No. 10 by more than 10% above the amount that would have been levied in that fiscal year had there never been any such delinquencies or defaults. For purposes of this paragraph, a parcel shall be considered “used for private residential purposes” not later than the date on which an occupancy permit for private residential use is issued.

SECTION 5. The City Council hereby fixes Tuesday, February 12, 2019, at 4:00 p.m., or as soon thereafter as the City Council may reach the matter, at the City Council Chambers, One Civic Center Plaza, Irvine, California, as the time and place when and where the City Council will conduct a public hearing on the designation of Improvement Area No. 10.

SECTION 6. The Clerk is hereby directed to publish, or cause to be published, a notice of said public hearing one time in a newspaper of general circulation published in the area of Improvement Area No. 10. The publication of said notice shall be completed at least seven days prior to the date herein fixed for said hearing. Said notice shall contain the information prescribed by Section 53322 of the Act.

SECTION 7. The levy of said proposed special tax for Improvement Area No. 10 shall be subject to the approval of the qualified electors of Improvement Area No. 10 at a special election. The proposed voting procedure shall be by mailed or hand-delivered ballot among the landowners in Improvement Area No. 10, with each person who is the owner of land at the close of said hearing having one vote for each acre or portion of an acre of land that he or she owns in Improvement Area No. 10 not exempt from such special tax.

SECTION 8. Pursuant to Section 53314.9 of the Act, the City proposes to repay the Developer solely from the proceeds of bonds issued by the Community Facilities District and the levy of special taxes within each improvement area (except from Zone 2 of Improvement Area No. 3) as follows: (1) funds advanced by the Developer to pay City costs in forming, amending, or taking any other actions with respect to the Community Facilities District, and (2) repayment to Developer for work performed, costs incurred, and Facilities acquired pursuant to (i) the Amended and Restated Development Agreement, dated December 27, 2010, by and among the City, the Developer, and the Irvine Redevelopment Agency, as it may be further amended, (ii) the Amended and Restated Master Implementation Agreement, dated December 27, 2010, by and between the City and the Developer, as it may be further amended, and (iii) the Acquisition Agreement, dated March 26, 2013, by and between the Developer and the City, as it may be further
amended.

SECTION 9. The City Council hereby reserves the right and authority, subject to conditions to be specified in the issuance document for the bonds, to allow any interested owner of property within Improvement Area No. 10 to tender to the Community Facilities District in full payment or partial payment of any installment of special taxes or the interest or penalties thereon which may be due or delinquent, but for which a bill has been received, any bond secured thereby, the bond to be taken at par and credit to be given for the accrued interest thereon computed to the date of tender.

SECTION 10. The officers, employees and agents of the City are hereby authorized and directed to take all actions and do all things which they, or any of them, may deem necessary or desirable to accomplish the purposes of this Resolution and not inconsistent with the provisions hereof.

SECTION 11. This Resolution shall take effect immediately upon its adoption.

C. MAXIMUM ANNUAL SPECIAL TAX RATE

1. Annual Special Tax

Residential Property shall be assigned to Land Use Classes 1 through 30 as listed in Table 1 herein based on the description and the Residential Floor Area for each Dwelling Unit as designated in Table 1. Non-Residential Property shall be assigned to Land Use Classes 31 through 36. Prior to the issuance of the first series of Non-Subordinate CFD No. 2013-3 (IA No. 10) Bonds, the Maximum Annual Special Tax rates for Residential Property and the Maximum Annual Special Tax rates for Non-Residential Property (set forth in Table 1) shall be reduced in accordance with, and subject to, the conditions set forth in this Section C.1, without the need for any proceedings to make changes permitted under the Act.

Upon the earlier of (i) one hundred twenty (120) calendar days before the projected execution date of a bond purchase agreement for the first series of Non-Subordinate CFD No. 2013-3 (IA No. 10) Bonds as determined by the City, or (ii) the written request of the Developer submitted to the City within two hundred and seventy (270) calendar days before the projected date of issuance of the first building permit permitting the construction of a non-model residential
building for a Land Use Class within CFD No. 2013-3 (IA No. 10), a third-party consultant selected by the City shall be engaged (within thirty days after the applicable trigger date) to determine (A) the expected base (i.e., without any optional upgrades included) sales prices of the residential units within each Land Use Class based upon the anticipated base sales prices to end users at the time of calculation and (B) from those expected base sales prices, the lowest base sales price within such Land Use Class (hereafter referred to as the “Lowest Price Point”). If the City determines that the Lowest Price Point for a Land Use Class is equal to or greater than the price point that was used to establish the Maximum Annual Special Tax rates for such Land Use Class shown in Table 1, then there shall be no recalculation of the Maximum Annual Special Tax rates for such Land Use Class. If, however, the City determines that the Lowest Price Point for a Land Use Class is less than the price point that was used to establish the Maximum Annual Special Tax rates for such Land Use Class shown in Table 1, then the Maximum Annual Special Tax rate for Residential Property in such Land Use Class (as reflected in Table 1) shall be reduced to the amount necessary to comply with its recalculated Value Limitation. The reduction shall occur within thirty (30) calendar days of the completion of the third-party consultant's report.

Upon the earlier of (i) one hundred and twenty (120) calendar days before the projected execution date of a bond purchase agreement for the first series of Non-Subordinate CFD No. 2013-3 (IA No. 10) Bonds as determined by the City, or (ii) the written request of the Developer submitted to the City within two hundred and seventy (270) calendar days before the projected date of issuance of the first building permit permitting the construction of a non-residential building for a Land Use Class within CFD No. 2013-3 (IA No. 10), a third-party appraiser selected by the City shall be engaged (within thirty days after the applicable trigger date) to determine the value of the Non-Residential Property within each Land Use Class at the time of calculation. Based upon the report of the appraiser, if the City so determines that the per square foot and per Acre Maximum Annual Special Tax rates, as reflected in Table 1 herein, exceed the recalculated Value Limitation for Non-Residential Property for a Land Use Class, then the per square foot and per Acre Maximum Annual Special Tax rates for such Non-Residential Property Land Use Class (as reflected in Table 1) that exceeds its recalculated Value Limitation shall be reduced to the amount necessary to comply with its recalculated Value Limitation, provided, however, that the Maximum Annual Special Tax rates for Non-Residential Property do not fall below $0.416 per square foot of Non-Residential Floor Area. The reduction shall occur within thirty (30) calendar days of the completion of the third-party appraiser’s report.

Notwithstanding the above, if, and to the extent, the recalculation of the Maximum Annual Special Tax rates for Residential Property and per square foot and per Acre Maximum Annual Special Tax rates for Non-Residential Property are triggered by the projected issuance of a building permit, the recalculation(s) shall only be completed for those Land Use Classes for which a building permit is expected to be issued within 270 days. If, and to the extent, the recalculation of the Maximum Annual Special Tax rates for Residential Property and per square foot and per Acre Maximum Annual Special Tax rates for Non-Residential Property are triggered by the projected execution of a bond purchase agreement within 120 days as determined by the City, the recalculation(s) shall be completed for all Land Use Classes within CFD No. 2013-3 (IA No. 10) that have not previously experienced a reduction in their Maximum Annual Special Tax rates (for Residential Property) or their Maximum Annual Special Tax rates (for Non-Residential Property).

Each Maximum Annual Special Tax rate reduction for a Land Use Class pursuant to this Section C.1, shall be calculated separately, as reasonably determined by the CFD Administrator, without regard to Maximum Annual Special Tax rate reductions that may be applicable to another Land
Use Class, and it shall not be required that a reduction in the Maximum Annual Special Tax rate for one Land Use Class be proportionate to reductions in Maximum Annual Special Tax rates for any other Land Use Class. If the Maximum Annual Special Tax rates for a Land Use Class do not require reduction as set forth in this Section C.1, then those Maximum Annual Special Tax rates set forth in Table 1 shall not be reduced irrespective of any reductions made to other Maximum Annual Special Tax rates. The reductions required pursuant to this Section C.1 shall be reflected in an amended notice of special tax lien which the City shall cause to be recorded by executing a certificate in substantially the form attached herein as Exhibit A.

The Value Limitation does not limit the Maximum Annual Special Tax rates set forth in Table 1 that are levied against Taxable Property unless a recalculation of the Maximum Annual Special Tax rates is required by this Section C.1.

(ii) **Increase in the Maximum Annual Special Tax**

The Fiscal Year 2018-2019 Maximum Annual Special Tax, identified in Table 1 above, as such Table may be amended and restated in full pursuant to this Rate and Method of Apportionment, shall increase thereafter (i) commencing on July 1, 2019 and on July 1 of each Fiscal Year thereafter through the Fiscal Year in which the fortieth anniversary of the date on which the first series of Non-Subordinate CFD No. 2013-3 (IA No. 10) Bonds were issued occurs, by an amount equal to two percent (2%) of the amount in effect for the previous Fiscal Year; and (ii) commencing in the Fiscal Year following the fortieth anniversary of the date on which the first series of Non-Subordinate CFD No. 2013-3 (IA No. 10) Bonds were issued, by an amount equal to three percent (3%) of the Maximum Annual Special Tax as determined following the partial termination of the Special Tax as set forth in Section J, and on July 1 of each Fiscal Year thereafter by an amount equal to three percent (3%) of the amount in effect for the previous Fiscal Year.

(iii) **Multiple Land Use Classes**

In some instances an Assessor’s Parcel of Developed Property may contain more than one Land Use Class. The Maximum Annual Special Taxes levied on an Assessor’s Parcel shall be the sum of the Maximum Annual Special Taxes for all Land Use Classes located on that Assessor’s Parcel. If an Assessor’s Parcel of Developed Property includes both Residential Property and Non-Residential Property, the Acreage to be assigned to the Non-Residential Property for purposes of establishing the Annual Special Tax shall equal the total Acreage of the Assessor’s Parcel multiplied by the Non-Residential Floor Area on the Assessor’s Parcel, the product of which shall be divided by Total Floor Area on the Assessor’s Parcel. Furthermore, for a condominium plan, if only a portion of its building permits have been issued, the remaining portion of the condominium plan shall be considered Final Mapped Property. The CFD Administrator’s allocation to each type of property shall be final.

(b) **Final Mapped Property, Undeveloped Property, Taxable Property Owner Association Property, and Taxable Public Property**

(i) **Intermediate Maximum Annual Special Tax**

The Fiscal Year 2018-2019 Intermediate Maximum Annual Special Tax for each Assessor’s Parcel of Final Mapped Property and Undeveloped Property shall be $61,049 per Acre, and shall increase thereafter, commencing on July 1, 2019 and on July 1 of each Fiscal Year thereafter, by an amount equal to two percent (2%) of the Intermediate Maximum Annual Special Tax for the previous Fiscal Year.

(ii) **Maximum Annual Special Tax**

The Fiscal Year 2018-2019 Maximum Annual Special Tax for each Assessor’s Parcel of Final Mapped Property, Undeveloped Property, Taxable Property Owner Association Property, and Taxable Public Property shall be $95,769 per Acre, and shall increase thereafter, commencing on July 1, 2019 and on July 1 of each Fiscal Year thereafter, by an amount equal to two percent (2%) of the Maximum Annual Special Tax for the previous Fiscal Year.
D. ONE-TIME SPECIAL TAX

All of the requirements of this Section D, which describes the One-Time Special Tax that may result from a change in development as determined pursuant to this Section D, shall only apply after the issuance of the first series of Non-Subordinate CFD No. 2013-3 (IA No. 10) Bonds, with the exception of disclosure-related requirements discussed under Section D.6, which apply both before and after the issuance of the first series of Non-Subordinate CFD No. 2013-3 (IA No. 10) Bonds. The provisions of this Section D shall not be impacted by the issuance of any Subordinate CFD No. 2013-3 (IA No. 10) Bonds.

The following additional definitions apply to this Section D:

“Authorized Bonded Indebtedness” means $120,000,000.

“Bond Issuance Development Phase Table” means a table, to be included herein as Table 2, which is prepared by the CFD Administrator after the submittal of a Bond Issuance Development Plan. Within the Bond Issuance Development Phase Table, each existing or prospective building permit for Residential Property shall be assigned to Land Use Classes 1 through 30 for each Development Phase, and each existing or prospective building permit of Non-Residential Property shall be assigned to Land Use Classes 31 through 36 for each Development Phase. If no Development Phases have been identified in the Bond Issuance Development Plan, such Dwelling Units and Non-Residential Property shall be listed by Land Use Classes for the entire CFD No. 2013-3 (IA No. 10).

“Bond Issuance Development Plan” means a development plan for CFD No. 2013-3 (IA No. 10) (i) submitted by the Developer immediately prior to the issuance of the first series of Non-Subordinate CFD No. 2013-3 (IA No. 10) Bonds, and (ii) approved by the CFD Administrator, as updated for each subsequent series of Non-Subordinate CFD No. 2013-3 (IA No. 10) Bonds. The Bond Issuance Development Plan shall identify the number of Dwelling Units and the Land Use Class for each existing or anticipated Dwelling Unit in each Development Phase, and if applicable, identify the existing or anticipated Non-Residential Property Acreage and Non-Residential Floor Area, if available, by Land Use Class anticipated to be constructed within each Development Phase. If no Development Phases have been identified in the Development Plan, such Dwelling Units, Acreage and Non-Residential Floor Area shall be listed by Land Use Classes for the entire CFD No. 2013-3 (IA No. 10).

“City Building and Safety Division” means the building and safety division of the City's Community Development Department.

“Compliance Letter” means a letter from the CFD Administrator notifying the property owner that (i) no One-Time Special Tax is due for the anticipated Residential Property and/or Non-Residential Property listed in the Compliance Letter, or (ii) any One-Time Special Tax that was due for the Residential Property and/or Non-Residential Property listed in the Compliance Letter has been paid in full by the property owner. However, the terms of a Compliance Letter only apply (A) if the building permits actually issued for such Residential Property reflect numbers of Dwelling Units and Land Use Classes that are identical to those listed in the Compliance Letter, and (B) if the building permits actually issued for such Non-Residential Property reflect Land Use Classes, Non-Residential Floor Area and Acreage, that are identical to those listed in the
Compliance Letter.

“Development Phase” means a tract map, planning area, or geographic area representing an expected construction phase planned to be developed by one or more merchant builders at the time the Bond Issuance Development Plan is submitted by the Developer and approved by the CFD Administrator. A Development Plan shall designate the geographic area included within each Development Phase by Assessor's Parcels or tract and lot numbers.

“IA No. 10 Buildout” means the completion of all proposed development in IA No. 10, as proposed by the Developer and approved by the City.

“Maximum One-Time Special Tax” means the maximum One-Time Special Tax, determined in accordance with Section D, which can be levied on an Assessor’s Parcel and collected by the One-Time Special Tax Payment Date.

“Non-Compliant Property” means an Assessor's Parcel of Pending Property that generates a need for a One-Time Special Tax as calculated under Section D.3.

“One-Time Special Tax Account” means the funds or accounts (regardless of their names) identified in the Indenture to hold all or a portion of the payments of the One-Time Special Tax received from property owners within CFD No. 2013-3 (IA No. 10).

“One-Time Special Tax Payment Date” means, for an Assessor's Parcel, the later of (i) 30 days after the date of the bill distributed by the CFD Administrator requesting the payment of a One-Time Special Tax, or (ii) 30 days after the issuance of a building permit.

“Pending Development” means Projected Residential Property and Projected Non-Residential Property for which (i) a Compliance Letter has been requested, (ii) building permits have recently been issued that were located on Assessor’s Parcels that were not included in a previously-issued Compliance Letter, or (iii) building permits have recently been issued for Assessor’s Parcels that were included in a previously-issued Compliance Letter that has been nullified pursuant to Section D.1., because the Projected Residential Property and Projected Non-Residential Property delineated in the actual building permits for such Assessor’s Parcels are not consistent with the development listed in the previously-issued Compliance Letter.

“Projected Non-Residential Property” means anticipated Non-Residential Property for which the CFD Administrator has not yet determined whether or not a One-Time Special Tax shall be levied, or for which such determination has been nullified pursuant to Section D.1.

“Projected Residential Property” means anticipated Dwelling Units of Residential Property for which the CFD Administrator has not yet determined whether or not a One-Time Special Tax shall be levied, or for which such determination has been nullified pursuant to Section D.1.

“Total Assumed Annual Special Taxes” means the total estimated Annual Special Taxes that would be levied at IA No. 10 Buildout, assuming the construction of 671 Dwelling Units, and shall be calculated by dividing the Bond Authorization by twenty-one (21). This defined term shall only be used for purposes of calculating a Maximum One-Time Maximum Special Tax under Section D.6, and shall not be employed in the actual calculation of a One-Time Special Tax for an Assessor’s Parcel.
“Total Expected Non-Residential Property Acreage” means the total amount of Acreage of Non-Residential Property expected to be developed in each Development Phase based on the Bond Issuance Development Plan, or if no Development Phases have been identified, for the entire CFD No. 2013-3 (IA No. 10).

“Total Number of Expected Dwelling Units” means the total number of Dwelling Units expected to be constructed in each Development Phase based on the Bond Issuance Development Plan, or if no Development Phases have been identified, for the entire CFD No. 2013-3 (IA No. 10).

“Update Property” means an Assessor’s Parcel of Final Mapped Property or Undeveloped Property for which a building permit was issued after May 1 of the Fiscal Year preceding the current Fiscal Year.

“Updated Development Phase Table” means a table prepared by the CFD Administrator reflecting the existing Residential Property and Non-Residential Property and the Projected Residential Property and Non-Residential Property to be constructed in a Development Phase, as revised pursuant to Section D.3.

1. Development Utilizing Optional Compliance Letter

   (a) Property Owner Request for Compliance Letter

      (i) Residential Property

      After the issuance of the first series of Non-Subordinate CFD No. 2013-3 (IA No. 10) Bonds, a property owner may, prior to the issuance of a building permit for construction of any Residential Property for a specific Assessor’s Parcel, tract or lot, request a Compliance Letter from the CFD Administrator to determine whether or not such property owner will be required to pay a One-Time Special Tax. The request from the property owner shall contain a list of all Residential Property for which the property owner is requesting a Compliance Letter, and shall identify the Development Phase(s), if any, within which the Residential Property is expected by the property owner to be located. The property owner shall also submit the Assessor’s Parcel or tract and lot numbers on which the Residential Property is to be constructed, and the Land Use Class for each residential Dwelling Unit associated with the Residential Property.

      (ii) Non-Residential Property

      After the issuance of the first series of Non-Subordinate CFD No. 2013-3 (IA No. 10) Bonds, a property owner may, prior to the issuance of a building permit for construction of any Non-Residential Property for a specific Assessor’s Parcel, tract, or lot, request a Compliance Letter from the CFD Administrator to determine whether or not such property owner will be required to pay a One-Time Special Tax. The request from the property owner shall contain the final map, parcel map, or lot line adjustment for which the property owner is requesting a Compliance Letter, as well as identify the Development Phase(s) within which the
Non-Residential Property is expected by the property owner to be located. The property owner shall also submit the Assessor’s Parcel or tract and lot numbers on which the Non-Residential Property is to be constructed, the Non-Residential Floor Area and Acreage for such Assessor's Parcel or tract and lot numbers, and the Land Use Class into which such development should be assigned.

(b) Issuance of Compliance Letter

(i) Residential Property

The number of residential Dwelling Units by Land Use Class in each Development Phase, if any, as listed in the Bond Issuance Development Phase Table, shall be reviewed by the CFD Administrator upon the receipt of a request from a property owner for a Compliance Letter. The CFD Administrator shall assign each Dwelling Unit identified in such request to Land Use Classes 1 through 30 for the applicable Development Phase within which such Dwelling Unit is to be located. If the CFD Administrator determines for Land Use Classes 1-30 that (i) the number of Dwelling Units of Projected Residential Property being requested for a specific Land Use Class in a Development Phase, plus those Dwelling Units previously identified and approved by the CFD Administrator as belonging to such Land Use Class in that Development Phase, does not exceed the Total Number of Expected Dwelling Units for that Land Use Class as listed in the Bond Issuance Development Phase Table for that Development Phase, and (ii) the total number of Dwelling Units anticipated to be constructed in the Development Phase as a result of this request is not less than the Total Number of Expected Dwelling Units reflected in the Bond Issuance Development Phase Table for that Development Phase, then a Compliance Letter shall be awarded to the property owner stating that no One-Time Special Tax shall be levied on the Projected Residential Property in the specific Land Use Classes proposed in the request from the property owner. This Compliance Letter shall be forwarded to the property owner by the CFD Administrator and shall list, by Land Use Class and Assessor's Parcel, the Residential Property that shall be exempt from the One-Time Special Tax.

However, should the CFD Administrator determine that (i) the number of Dwelling Units of Projected Residential Property being requested for a specific Land Use Class in the Development Phase, plus those Dwelling Units previously identified and approved by the CFD Administrator as belonging to such Land Use Class in the Development Phase, cause the total number of such Dwelling Units to exceed the Total Number of Expected Dwelling Units for that Land Use Class as listed in the Bond Issuance Development Phase Table for that Development Phase, or (ii) the total number of Dwelling Units anticipated to be constructed in the entire Development Phase as a result of the request would decrease the number of Dwelling Units to be constructed to below the Total Number of Expected Dwelling Units for the entire Development Phase reflected in the Bond Issuance Development Phase Table, then a Compliance Letter shall not be issued prior to the CFD Administrator determining if a One-Time Special Tax shall be required.

The CFD Administrator shall monitor the issuance of building permits by the City
within CFD No. 2013-3 (IA No. 10) on a weekly basis prior to IA No. 10 Buildout. If a property owner receives a Compliance Letter for Residential Property that is Pending Development and should that property owner be issued a building permit to construct a building that is not consistent with the Projected Residential Property listed in the Compliance Letter, such Compliance Letter shall be nullified, and a new review of such Residential Property shall be conducted by the CFD Administrator, as called for under Section D.2, below, based on the development identified on the building permit.

(ii) Non-Residential Property

The amount of Non-Residential Property Acreage and Non-Residential Floor Area by Land Use Class in each Development Phase, if any, as listed in the Bond Issuance Development Phase Table, shall be reviewed by the CFD Administrator upon the receipt of a request from a property owner for a Compliance Letter. The CFD Administrator shall assign each Acre of Non-Residential Property identified in such request to Land Use Classes 31 through 36 in the applicable Development Phase within which such Acreage and Non-Residential Floor Area is to be located. If the CFD Administrator determines for Land Use Classes 31-36 that (i) the amount of Non-Residential Property Acreage being requested for a specific Land Use Class in a Development Phase, plus the Non-Residential Property Acreage previously identified and approved by the CFD Administrator as belonging to such Land Use Class in the Development Phase, does not exceed the Total Expected Non-Residential Property Acreage for that Land Use Class as listed in the Bond Issuance Development Phase Table for that Development Phase, and (ii) the total amount of Non-Residential Property Acreage anticipated to be constructed in the entire Development Phase as a result of the request is not less than the Total Expected Non-Residential Property Acreage reflected in the Bond Issuance Development Phase Table for that Development Phase, then a Compliance Letter shall be awarded to the property owner stating that no One-Time Special Tax shall be levied on the Projected Non-Residential Property in the specific Land Use Classes proposed in the request from the property owner. This One-Time Special Tax Compliance Letter shall be forwarded to the property owner by the CFD Administrator listing, by Land Use Class and Assessor's Parcel, the Non-Residential Property that shall be exempt from the One-Time Special Tax.

However, should the CFD Administrator determine that (i) the amount of Non-Residential Property Acreage being requested for such Land Use Class in the Development Phase, plus the Non-Residential Property Acreage previously identified and approved by the CFD Administrator as belonging to such Land Use Class in the Development Phase, cause the total amount of Non-Residential Property Acreage to exceed the Total Expected Non-Residential Property Acreage for that Land Use Class as listed in the Bond Issuance Development Phase Table for that Development Phase, or (ii) the total amount of Non-Residential Property Acreage anticipated to be constructed for the entire Development Phase as a result of the request would decrease the amount of Non-Residential Property Acreage to be constructed to below the Total Expected Non-Residential Property Acreage for the entire Development Phase reflected in the Bond Issuance Development Phase Table.
Table, then a Compliance Letter shall not be issued prior to the CFD Administrator determining if a One-Time Special Tax shall be required.

The CFD Administrator shall monitor the issuance of building permits by the City within CFD No. 2013-3 (IA No. 10) on a weekly basis prior to IA No. 10 Buildout. If a property owner receives a Compliance Letter for the development of Non-Residential Property that is Pending Development, and should that property owner be issued a building permit to construct a building that is not consistent with the Projected Non-Residential Property listed in the Compliance Letter, such Compliance Letter shall be nullified, and a new review of such Non-Residential Property shall be conducted by the CFD Administrator, as called for under Section D.2., below, based on the development identified on the building permit.

2. Development Not Utilizing Optional Compliance Letter

(a) Residential Property

After the issuance of the first series of Non-Subordinate CFD No. 2013-3 (IA No. 10) Bonds, the CFD Administrator shall, no less frequently than once each week prior to IA No. 10 Buildout, obtain from the City Building and Safety Division a list of building permits for Residential Property within CFD No. 2013-3 (IA No. 10) that have been issued during the period since the CFD Administrator last obtained such building permit information. The CFD Administrator shall determine those building permit issuances for which Compliance Letters have not already been issued, and shall identify the Assessor’s Parcels or tract and lot numbers on which the construction that is the subject of such permit issuances is taking place, and the Development Phase and Land Use Class for each Dwelling Unit that is Pending Development. Such determination shall be completed within 15 days of the CFD Administrator’s obtaining the building permit data from the City Building Department.

If the CFD Administrator determines for Land Use Classes 1-30 that (i) the number of Dwelling Units for which building permits have been issued for a specific Land Use Class in a Development Phase, plus those Dwelling Units previously identified and approved by the CFD Administrator as belonging to such Land Use Class in the Development Phase, does not exceed the Total Number of Expected Dwelling Units for that Land Use Class as listed in the Bond Issuance Development Phase Table for that Development Phase, and (ii) the total number of Dwelling Units anticipated to be constructed in the Development Phase as a result of these building permits, as provided by the Developer and approved by the City, is not less than the Total Number of Expected Dwelling Units reflected in the Bond Issuance Development Phase Table for that Development Phase, then no One-Time Special Tax shall be levied on the Assessor's Parcels or lots on which such development is occurring.

However, should the CFD Administrator determine that (i) the Dwelling Units for such Land Use Class included in these building permits for a Development Phase, plus those previously identified and approved by the CFD Administrator as belonging to such Land Use Class in the Development Phase, cause the total
number of such Dwelling Units to exceed the Total Number of Expected Dwelling Units for that Land Use Class as listed in the Bond Issuance Development Phase Table for that Development Phase, or (ii) the total number of Dwelling Units anticipated to be constructed in the entire Development Phase as a result of the request would decrease the number of Dwelling Units to be constructed to below the Total Number of Expected Dwelling Units for the entire Development Phase reflected in the Bond Issuance Development Phase Table, then the CFD Administrator shall undertake the calculations listed under this Section D to determine whether or not a One-Time Special Tax shall be levied on this Residential Property.

(b) Non-Residential Property

After the issuance of the first series of Non-Subordinate CFD No. 2013-3 (IA No. 10) Bonds, the CFD Administrator shall, no less frequently than once each week, obtain from the City Building and Safety Division a list of the building permits for Non-Residential Property within CFD No. 2013-3 (IA No. 10) that have been issued during the period since the CFD Administrator last obtained such building permit information. The CFD Administrator shall determine those building permit issuances for which Compliance Letters have not already been issued, and shall identify the Assessor’s Parcels or tract and lot numbers on which the construction that is the subject of such permit issuances is taking place, and the Land Use Class for the Non-Residential Property that is Pending Development. Such determination shall be completed within 15 days of the CFD Administrator’s obtaining the building permit data from the City Building Department.

The CFD Administrator shall assign the Acreage of Non-Residential Property being requested to Land Use Classes 31 through 36 in the applicable Development Phase within which such Non-Residential Property Acreage is to be located based on the type of use. If the CFD Administrator determines for Land Use Classes 31-36 that (i) the amount of Non-Residential Property Acreage associated with a building permit for a specific Land Use Class in a Development Phase, plus the Non-Residential Property Acreage previously identified and approved by the CFD Administrator as belonging to such Land Use Class in the Development Phase, does not exceed the Total Expected Non-Residential Property Acreage for that Land Use Class as listed in the Bond Issuance Development Phase Table, and (ii) the total amount of Non-Residential Property Acreage anticipated to be constructed in the entire Development Phase as a result of the building permit, as submitted by the Developer and approved by the City, is not less than the Total Expected Non-Residential Property Acreage reflected in the Bond Issuance Development Phase Table for the Development Phase, then no One-Time Special Tax shall be levied on such Non-Residential Property.

However, should the CFD Administrator determine that (i) the Non-Residential Property Acreage for such Land Use Class included in this building permit in a Development Phase, plus the Non-Residential Property Acreage previously identified and approved by the CFD Administrator as belonging to such Land Use Class in the Development Phase, cause the total Non-Residential Property Acreage to exceed the Total Expected Non-Residential Property Acreage for that
Land Use Class as listed in the Bond Issuance Development Phase Table for the Development Phase, or (ii) the total Non-Residential Property Acreage anticipated to be constructed in the entire Development Phase as a result of this building permit would decrease the amount of Non-Residential Property Acreage to be constructed to below the Total Expected Non-Residential Property Acreage for the entire Development Phase reflected in the Bond Issuance Development Phase Table, then the CFD Administrator shall undertake the calculations listed under this Section D to determine whether or not a One-Time Special Tax shall be levied on this Non-Residential Property.

3. **Calculation of One-Time Special Tax**

If a One-Time Special Tax calculation is required as determined by the CFD Administrator pursuant to Section D.1 or Section D.2., for any Pending Development, the CFD Administrator shall review the Bond Issuance Development Phase Table with respect to the applicable Development Phase(s) in consultation with the current property owner(s) for all remaining Final Mapped Property and Undeveloped Property within such Development Phase, and shall prepare an Updated Development Phase Table identifying the revised number of Dwelling Units and/or the amount of Non-Residential Property Acreage anticipated within each Land Use Class for that Development Phase. If no Development Phases are included in the Bond Issuance Development Phase Table, such analysis shall be applied to the entire CFD No. 2013-3 (IA No. 10), as shall the analyses cited throughout this Section D.3. The CFD Administrator shall not be responsible for any delays in preparing the Updated Development Phase Table that result from a refusal on the part of one or more current property owners of Final Mapped Property or Undeveloped Property within the applicable Development Phase to provide information on their future development. If such a refusal on the part of one or more current property owners persists for more than 14 days, the CFD Administrator shall rely on the Residential Property and/or Non-Residential Property identified in the Bond Issuance Development Phase Table for the Final Mapped Property and/or Undeveloped Property within the applicable Development Phase.

The CFD Administrator shall then review the Updated Development Phase Table and determine the One-Time Special Tax, if any, to be levied on the applicable Assessor’s Parcels of Pending Development being analyzed. The calculations shall be undertaken by the CFD Administrator, based on the data in the applicable Updated Development Phase Table, as follows:

**Step 1.** Compute the sum of the Annual Special Tax revenues authorized to be levied on all Developed Property and Update Property within the applicable Development Phase, plus the sum of the Annual Special Tax revenues authorized to be levied on all future development within the applicable Development Phase as identified in the Updated Development Phase Table assuming IA No. 10 Buildout, as determined by the CFD Administrator in consultation with the property owner(s).

**Step 2.** Determine the Annual Special Tax revenues expected to be generated by the applicable Development Phase based on the Bond Issuance Development Phase Table.

**Step 3.** If the total sum computed pursuant to Step 1 is greater than or equal to the amount computed pursuant to Step 2, then no One-Time Special Tax shall be required and a Compliance Letter shall be awarded to the property owner by the CFD Administrator for all Pending Development. If the total sum computed pursuant to Step 1 is less than the amount computed pursuant to Step 2, subtract the amount computed pursuant to Step 1 from the amount computed pursuant to Step 2 (hereinafter called the “Remaining Amount”), then continue to Step 4.

**Step 4.** Determine the Annual Special Tax revenues expected to be generated by all Development Phases based on the Bond Issuance Development Phase Table.
Step 5. Multiply the amount of Outstanding Bonds by a fraction, the numerator of which is the Remaining Amount computed for such Development Phase in Step 3, and the denominator of which is the amount computed for all Development Phases in Step 4. The result is the amount of Outstanding Bonds that can be supported by the shortfall computed pursuant to Step 3. Round up the amount determined under this Step 5 to the nearest increment of $5,000 to compute the amount of Outstanding Bonds to be redeemed.

Step 6. Multiply the amount computed pursuant to Step 5 by the applicable redemption premium, if any, on the Outstanding Bonds to be redeemed.

Step 7. Compute the amount needed to pay interest on the amount computed pursuant to Step 5 from the first bond interest and/or principal payment date following the current Fiscal Year until the earliest possible redemption date for the Outstanding Bonds, and subtract therefrom the estimated amount of interest earnings to be derived from the reinvestment of the amounts computed pursuant to Step 5 and Step 6 until such redemption.

Step 8. Determine all of the administrative costs associated with implementing the One-Time Special Tax, including the costs of computation of the One-Time Special Tax, the costs to invest the One-Time Special Tax proceeds and the costs of redeeming Non-Subordinate CFD No. 2013-3 (IA No. 10) Bonds.

Step 9. A reserve fund credit shall be determined. The credit shall equal the lesser of: (a) the expected reduction in the reserve requirement (as specified in the Indenture), if any, associated with the redemption of Outstanding Bonds with proceeds of the One-Time Special Tax, or (b) the amount derived by subtracting the new reserve requirement (as defined in the Indenture) in effect after the redemption of Outstanding Bonds with proceeds of the One-Time Special Tax from the balance in the reserve fund on the determination date of the One-Time Special Tax, but in no event shall such amount be less than zero. No reserve fund credit shall be granted if the amount then on deposit in the reserve fund for the Outstanding Bonds is below 100% of the reserve requirement (as defined in the Indenture).

Step 10. The One-Time Special Tax is equal to the sum of the amounts computed pursuant to Steps 5, 6, 7 and 8, less the credit computed pursuant to Step 9.

4. Billing and Collection of One-Time Special Tax

The One-Time Special Tax for any Development Phase, as calculated above, shall be levied by means of direct billing of the owners of the Assessor’s Parcels for all Pending Development in that Development Phase that has been found to be Non-Compliant Property. The total One-Time Special Taxes required as a result of an Assessor’s Parcel of Non-Compliant Property shall be divided proportionately among all of the Pending Development owned by the property owner of such Assessor's Parcel, based on the relative amount of Annual Special Taxes to be levied on and applied to the Assessor’s Parcels of Pending Development owned by such property owner in the next Fiscal Year. The resulting One-Time Special Tax levied on each Assessor's Parcel of Pending Development owned by such property owner shall have the same priority and bear the
same proportionate penalties and interest after delinquency as do the *ad valorem* taxes on real property. CFD No. 2013-3 (IA No. 10) shall effect the levy of the One-Time Special Tax in accordance with the ordinance of the City levying the Special Taxes.

The CFD Administrator shall prepare a bill for the One-Time Special Tax payable with respect to each Assessor’s Parcel of Pending Development and shall send such bill to the property owner of such parcel by United States first-class mail, postage prepaid. Said bill shall be so mailed no later than five business days after the date of the calculation, and shall be dated as of the date of such mailing. The One-Time Special Tax shall be due and payable upon the One-Time Special Tax Payment Date. The ownership and billing address for each such Assessor's Parcel shall be ascertained from the records of the Assessor of the County. Each such bill shall state the amount of the One-Time Special Tax payable, the One-Time Special Tax Payment Date, and shall inform the property owner that, if such One-Time Special Tax is not paid by such date, penalties and interest will begin to accrue, foreclosure proceedings may be initiated and a lis pendens may be recorded against the Assessor's Parcel until the One-Time Special Tax is paid.

5. **Term; Exemptions**

The One-Time Special Tax shall terminate and no longer be levied or collected pursuant to this Rate and Method of Apportionment on the date that is the later of (i) the Fiscal Year immediately following the fortieth anniversary of the date on which the first series of Non-Subordinate CFD No. 2013-3 (IA No. 10) Bonds were sold or (ii) Fiscal Year 2058-2059. Property exempt from the levy of the Special Taxes by law or pursuant to the provisions of Section F, below, shall also be exempt from the levy of the One-Time Special Tax.

6. **Maximum One-Time Special Tax Disclosure**

While the actual One-Time Special Tax shall be calculated based on the methodology delineated in Sections D.1, D.2, and D.3, above, Section 53321(d) of the California Government Code requires that a rate and method of apportionment allow a property owner to estimate the maximum special taxes that could potentially be levied on its property. The Maximum One-Time Special Tax for an Assessor’s Parcel may be estimated by utilizing the following methodology:

(a) **Residential Property**

Step 1. Divide the Annual Special Tax rate listed in Table 1 for a Dwelling Unit in Land Use Class 1 by the Total Assumed Annual Special Taxes.

Step 2. Multiply the quotient resulting from Step 1 by the Authorized Bonded Indebtedness. The product of these two numbers is the Maximum One-Time Special Tax for a Dwelling Unit of Residential Property in CFD No. 2013-3 (IA No. 10).

(b) **Non-Residential Property**

Step 1. Divide the Annual Special Tax rate listed in Table 1 on an Acreage or on a projected Non-Residential Floor Area basis, whichever is greater, for the Land Use Class in which the Non-Residential Property belongs, by the Total...
Assumed Annual Special Taxes.

Step 2. Multiply the quotient resulting from Step 1 by the Authorized Bonded Indebtedness. The product of these two numbers is the Maximum One-Time Special Tax on an Acreage or a Non-Residential Floor Area basis for Non-Residential Property in CFD No. 2013-3 (IA No. 10).

E. METHOD OF APPORTIONMENT OF THE ANNUAL SPECIAL TAX

1. Annual Levy

Commencing with Fiscal Year 2018-2019 and for each following Fiscal Year, the Council shall levy the Annual Special Tax as follows:

First: The Annual Special Tax shall be levied on each Assessor’s Parcel of Developed Property in an amount equal to 100% of the applicable Maximum Annual Special Tax for Developed Property.

Second: Determine the Final Mapped Property/Undeveloped Property Annual Special Tax Requirement and Proportionately levy the Annual Special Tax on each Assessor’s Parcel of Final Mapped Property until the amount levied on Final Mapped Property is equal to the lesser of (i) the Final Mapped Property/Undeveloped Property Annual Special Tax Requirement, or (ii) 100% of the Intermediate Maximum Annual Special Tax for Final Mapped Property.

Third: If additional monies are needed to satisfy the Final Mapped Property/Undeveloped Property Annual Special Tax Requirement after the first two steps have been completed, the Annual Special Tax shall be levied Proportionately on each Assessor's Parcel of Undeveloped Property until the amount levied on Undeveloped Property is equal to the lesser of (i) the Final Mapped Property/Undeveloped Property Annual Special Tax Requirement less the amount levied pursuant to the second step above, or (ii) 100% of the Intermediate Maximum Annual Special Tax for Undeveloped Property.

Fourth: If additional monies are needed to satisfy the Final Mapped Property/Undeveloped Property Annual Special Tax Requirement after the first three steps have been completed, then the Annual Special Tax levy on each Assessor's Parcel of Final Mapped Property and Undeveloped Property shall be increased in equal percentages from the Intermediate Maximum Annual Special Tax up to 100% of the Maximum Annual Special Tax for Final Mapped Property and Undeveloped Property until the Final Mapped Property/Undeveloped Property Annual Special Tax Requirement is satisfied.

Fifth: Determine the Taxable Property Owner Association Property/Taxable Public Property Annual Special Tax Requirement and Proportionately levy the Annual Special Tax on each Assessor’s Parcel of Taxable Property Owner Association Property until the amount levied on Taxable Property Owner Association Property is equal to the lesser of (i) the Taxable Property Owner Association Property/Taxable Public Property Annual Special Tax Requirement or (ii) 100% of the Maximum Annual Special Tax for Taxable Property Owner Association Property.
Sixth: If additional monies are needed to satisfy the Taxable Property Owner Association Property/Taxable Public Property Annual Special Tax Requirement after the fifth step has been completed, then the Annual Special Tax shall be levied Proportionately on each Assessor’s Parcel of Taxable Public Property until the amount levied on Taxable Public Property is equal to the lesser of (i) the Taxable Property Owner Association Property/Taxable Public Property Annual Special Tax Requirement less the amount levied pursuant to the fifth step above, or (ii) 100% of the Maximum Annual Special Tax for Taxable Public Property.

F. EXEMPTIONS

No Special Tax shall be levied on up to (i) 19.88 Acres of Property Owner Association Property in CFD No. 2013-3 (IA No. 10), (ii) 24.29 Acres of Public Property in CFD No. 2013-3 (IA No. 10), and (iii) 0 Acres of Church Property in CFD No. 2013-3 (IA No. 10). No Special Tax shall be levied on Affordable Housing, Moderate Affordable Units, and Moderate Affordable Senior Units provided that the number of such Dwelling Units in CFD No. 2013-3 (IA No. 10) does not cause the total of such Dwelling Units within CFD No. 2013-3 to exceed 1,048 Dwelling Units. Once 1,048 Dwelling Units have been assigned to these three categories, all additional Affordable Housing, Moderate Affordable Units, and Moderate Affordable Senior Units Dwelling Units shall be subject to the Special Tax Rates assigned to comparable-sized market rate Dwelling Units, as listed in Table 1. Tax-exempt status will be assigned by the CFD Administrator in the chronological order in which property in CFD No. 2013-3 (IA No. 10) becomes Public Property, Property Owner Association Property, Church Property, Affordable Housing, Moderate Affordable Units, or Moderate Affordable Senior Units. However, should an Assessor’s Parcel no longer be classified as Public Property, Property Owner Association Property, Church Property, Affordable Housing, Moderate Affordable Units, or Moderate Affordable Senior Units, it will, from that point forward, be subject to the Special Tax.

Property Owner Association Property or Public Property that is not exempt from the Special Tax under this section shall be subject to the levy of the Annual Special Tax (as well as the One-Time Special Tax) and shall be taxed Proportionately as part of the fifth step and sixth step in Section E above, respectively, at up to 100% of the applicable Maximum Annual Special Tax for Taxable Property Owner Association Property or Taxable Public Property.

Church Property that is not exempt from the Special Tax under this section shall be subject to the levy of the Annual Special Tax (as well as the One-Time Special Tax) and shall be taxed Proportionately as Other Non-Residential Property in Section E above, at up to 100% of the applicable Maximum Annual Special Tax for Other Non-Residential Property.

Affordable Housing, Moderate Affordable Units, and Moderate Affordable Senior Units that are not exempt from the Special Tax under this section shall be subject to the levy of the Annual Special Tax (as well as the One-Time Special Tax) and shall be taxed Proportionately as Residential Property in Section E above, at up to 100% of the applicable Maximum Annual Special Tax for the applicable Land Use Class 1-29, based on whether the Dwelling Unit is attached or detached and its square footage.

Notwithstanding the foregoing paragraphs, prior to the issuance of the first series of Non-Subordinate CFD No. 2013-3 (IA No. 10) Bonds, if an Assessor’s Parcel subject to the Special Tax becomes Public Property, the Assessor’s Parcel shall be deemed Exempt Property and shall
be exempt from the levy of the Special Tax so long as such Assessor’s Parcel remains Public Property.

Assessor’s Parcels or Units that are exempt from the levy of the Annual Special Tax under this Section F are also exempt from the payment of any One-Time Special Taxes.

G. **MANNER OF COLLECTION**

The Annual Special Tax shall be collected in the same manner and at the same time as ordinary ad valorem property taxes; provided, however, that the City, through the CFD Administrator may (i) directly bill the Annual Special Tax (as well as the One-Time Special Tax), and/or may collect Special Taxes at a different time or in a different manner if necessary to meet financial obligations or as otherwise required herein and (ii) may covenant to foreclose and may actually foreclose on delinquent Assessor’s Parcels. All direct billings shall be due within 30 days of the billing date.

H. **APPEALS AND INTERPRETATIONS**

Any landowner who feels that the amount of the Special Tax levied on their Assessor’s Parcel is in error may submit a written appeal to the CFD Administrator. The CFD Administrator shall review the appeal and if the City concurs, a refund shall be provided that is consistent with statutory requirements in the Revenue and Taxation Code. The CFD Administrator may interpret this Rate and Method of Apportionment for purposes of clarifying any ambiguity and make determinations relative to the annual administration of the Special Tax and any landowner appeals.

I. **PREPAYMENT OF ANNUAL SPECIAL TAX**

Under this Rate and Method of Apportionment, an Assessor’s Parcel within CFD No. 2013-3 (IA No. 10) is permitted to prepay a portion of the Maximum Annual Special Tax (the “Prepayable Portion of the Annual Special Tax”). The obligation of the Assessor’s Parcel to pay the Prepayable Portion of the Annual Special Tax may be fully or partially prepaid and permanently satisfied as described herein, provided that a prepayment may be made only for Assessor’s Parcels of Developed Property, or an Assessor’s Parcel of Final Mapped Property or Undeveloped Property for which a building permit for construction has been issued after January 1, 2019, and only if there are no delinquent Special Taxes with respect to such Assessor’s Parcel at the time of prepayment. An owner of an Assessor's Parcel intending to fully or partially prepay the Prepayable Portion of the Annual Special Tax shall provide the CFD Administrator with written notice of intent to prepay. Within 30 days of receipt of such written notice, the CFD Administrator shall notify such owner of the prepayment amount for such Assessor's Parcel. The CFD Administrator may charge such owner a reasonable fee for providing this service. If there are Outstanding Bonds, prepayment must be made not less than 30 days prior to a date that notice of redemption of Non-Subordinate CFD No. 2013-3 (IA No. 10) Bonds from the proceeds of such prepayment must be given by the Trustee pursuant to the Indenture. No portion of the Maximum Annual Special Tax other than the Prepayable Portion of the Annual Special Tax may be prepaid. Only Non-Subordinate CFD No. 2013-3 (IA No. 10) Bonds may be redeemed as the result of any prepayment in this Section I Prior to the issuance of the first series of Non-Subordinate CFD No. 2013-3 (IA No. 10) Bonds, the percentages identified in Section I (in

connection with the calculation of the Prepayable Portion of the Residential Property Annual Special Tax and the Prepayable Portion of the Non-Residential Property Annual Special Tax) and Section J may be changed to reflect changes in development, without the need for any proceedings to make changes permitted under the Act.

1. **Full Prepayment of the Prepayable Portion of the Annual Special Tax**

The full Prepayment Amount of the Prepayable Portion of the Annual Special Tax shall be the Prepayment Amount identified in Section (a) below, for Residential Property, and the Prepayment Amount identified in Section (b) below for Non-Residential Property.

(a) **Residential Property**

As of the proposed date of prepayment, the full Prepayment Amount for Residential Property Annual Special Taxes shall be determined by application of the following steps:

Step 1. Determine the number of future years remaining until the Fiscal Year in which the fortieth anniversary of the date on which the first issue of Non-Subordinate CFD No. 2013-3 (IA No. 10) Bonds was sold occurs, not including the current Fiscal Year. If Non-Subordinate CFD No. 2013-3 (IA No. 10) Bonds have not yet been issued, the number shall be 40.

Step 2. Determine the Maximum Annual Special Tax being levied in the current Fiscal Year on the Assessor’s Parcel prepaying the Annual Special Tax (under the assumption that the Assessor’s Parcel is Developed Property).

Step 3. Multiply the Maximum Annual Special Tax calculated pursuant to Step 2 by 77.01% (the “Prepayable Portion of the Residential Property Annual Special Tax”).

Step 4. Determine the amount of Annual Special Tax levied in the current Fiscal Year on such Assessor’s Parcel which has not yet been paid and multiply this amount by 77.01%.

Step 5. The Prepayment Amount determined under this Section (a) shall be computed by calculating the sum of the following: (i) the net present value of the flow of annual revenues from the Prepayable Portion of the Residential Property Annual Special Tax as determined under Step 3, for the number of years identified in Step 1, escalated annually by 2.0%, using a discount rate equal to the Discount Rate; and (ii) the unpaid current Fiscal Year’s Prepayable Portion of the Residential Property Annual Special Tax as determined under Step 4 (collectively, the “Prepayment Amount”).

(b) **Non-Residential Property**

As of the proposed date of prepayment, the full Prepayment Amount for Non-Residential Property Annual Special Taxes shall be determined by application of the following steps:

Step 1. Determine the number of future years remaining until the Fiscal Year in which the fortieth anniversary of the date on which the first issue of Non-Subordinate CFD No. 2013-3 (IA No. 10) Bonds was sold occurs, not including the current Fiscal Year. If Non-Subordinate CFD No. 2013-3 (IA No. 10) Bonds have not yet been issued, the number shall be 40.

Step 2. Determine the Maximum Annual Special Tax being levied in the current Fiscal
Year on the Assessor’s Parcel prepaying the Annual Special Tax (under the assumption that the Assessor’s Parcel is Developed Property).

Step 3. Multiply the Maximum Annual Special Tax calculated pursuant to Step 2 by 78.42% (the “Prepayable Portion of the Non-Residential Annual Special Tax”).

Step 4. Determine the amount of Annual Special Tax levied in the current Fiscal Year on such Assessor’s Parcel which has not yet been paid and multiply this amount by 78.42%.

Step 5. The Prepayment Amount determined under this Section (b) shall be computed by calculating the sum of the following: (i) the net present value of the flow of annual revenues from the Prepayable Portion of the Non-Residential Annual Special Tax as determined under Step 3, for the number of years identified in Step 1, escalated annually by 2.0%, using a discount rate equal to the Discount Rate; and (ii) the unpaid current Fiscal Year’s Prepayable Portion of the Non-Residential Annual Special Tax as determined under Step 4 (collectively, the “Prepayment Amount”).

2. Partial Prepayment of the Prepayable Portion of the Special Tax

The amount of the partial prepayment shall be calculated as in Section I.1; except that a partial prepayment shall be calculated according to the following formula:

\[ PP = PE \times F \]

These terms have the following meaning:

- **PP** = the Partial Prepayment Amount of the Prepayable Portion of the Annual Special Tax
- **PE** = the Prepayment Amount of the Prepayable Portion of the Annual Special Tax calculated according to Section I.1.(a) (for Residential Property) or Section I.1.(b) (for Non-Residential Property).
- **F** = the percentage, expressed as a decimal, by which the owner of the Assessor’s Parcel is partially prepaying the Prepayable Portion of the Annual Special Tax.

3. General Provisions Applicable to Prepayment

(a) Use of Prepayments

Subsequent to the issuance of the first series of Non-Subordinate CFD No. 2013-3 (IA No. 10) Bonds, the Prepayment Amount of the Prepayable Portion of the Annual Special Tax shall be applied in the following order of priority: (i) to be deposited into specific funds established under the Indenture, to fully or partially retire as many Non-Subordinate CFD No. 2013-3 (IA No. 10) Bonds as possible, and, if amounts are less than $5,000, to make debt service payments on the Non-Subordinate CFD No. 2013-3 (IA No. 10) Bonds, (ii) to finance Group A Facilities and/or Group B Facilities, as identified in the Amended and Restated Development Agreement, and (iii) to be remitted to the City and used for any Authorized Facilities or Authorized Services in accordance with the Amended and Restated Development Agreement. Prior to the issuance of the first series of Non-Subordinate CFD No. 2013-3 (IA No. 10) Bonds, the Prepayment Amount of the Prepayable Portion of the Annual Special Tax shall be applied in the following order of priority: (i) to finance Group A and/or Group B Facilities, as identified in the Amended and Restated Development Agreement, and (ii) to be remitted to the City and used for
any Authorized Facilities or Authorized Services in accordance with the Amended and Restated Development Agreement.

(b) Full Prepayment of the Prepayable Portion of the Special Tax

Upon confirmation of the payment of the current Fiscal Year’s entire Prepayable Portion of the Annual Special Tax, the CFD Administrator shall remove the current Fiscal Year’s Prepayable Portion of the Annual Special Tax levy for such Assessor’s Parcel from the County tax rolls. With respect to any Assessor’s Parcel that is prepaid in accordance with Section I.1, the CFD Administrator shall indicate in the records of CFD No. 2013-3 (IA No. 10) that there has been a prepayment of the Prepayable Portion of the Annual Special Tax and that a portion of the Maximum Annual Special Tax with respect to such Assessor’s Parcel, equal to 22.99% of the Maximum Annual Special Tax for Residential Property and 21.58% of the Maximum Annual Special Tax for Non-Residential Property, shall continue to be levied on such Assessor’s Parcel pursuant to Section E.

(c) Partial Prepayment of the Prepayable Portion of the Special Tax

Upon confirmation of the payment of a portion of the current Fiscal Year’s Prepayable Portion of the Annual Special Tax, the CFD Administrator shall remove a portion of the current Fiscal Year’s Prepayable Portion of the Annual Special Tax levy for such Assessor’s Parcel from the County tax rolls equal to that amount included in the partial prepayment for such Assessor’s Parcel determined in Section I.2. With respect to any Assessor’s Parcel that is partially prepaid in accordance with Section I.2, the CFD Administrator shall indicate in the records of CFD No. 2013-3 (IA No. 10) that there has been a partial prepayment of the Prepayable Portion of the Annual Special Tax and that a portion of the Maximum Annual Special Tax with respect to such Assessor’s Parcel, equal to the outstanding percentage \( [1.00 - (.7701 \times F)] \) multiplied by the Maximum Annual Special Tax for Residential Property and \( [1.00 - (.7842 \times F)] \) multiplied by the Maximum Annual Special Tax for Non-Residential Property shall continue to be levied on such Assessor’s Parcel pursuant to Section E.

(d) Debt Service Coverage

Notwithstanding the foregoing, no prepayment of the Prepayable Portion of the Annual Special Tax shall be allowed unless, at the time of such proposed prepayment, the Annual Special Tax that may be levied on Taxable Property within CFD No. 2013-3 (IA No. 10) in all Fiscal Years (after excluding 19.88 Acres of Property Owner Association Property, 24.29 Acres of Public Property, 0 Acres of Church Property, and the expected number of Affordable Property, Moderate Affordable Units, and Moderate Affordable Senior Units that will be Exempt Property in CFD No. 2013-3 (IA No. 10) as set forth in Section F), both prior to and after the proposed prepayment, is at least equal to the Debt Service Coverage times the debt service necessary to support the remaining Outstanding Bonds.

J. TERM OF ANNUAL SPECIAL TAX

84.71% of the Maximum Annual Special Tax on Residential Property and 86.26% of the Maximum
Annual Special Tax on Non-Residential Property shall terminate and no longer be levied or collected pursuant to this Rate and Method of Apportionment on the date that is the later of (i) the Fiscal Year immediately following the fortieth anniversary of the date on which the first series of Non-Subordinate CFD No. 2013-3 (IA No. 10) Bonds were sold or (ii) Fiscal Year 2058-2059. The remaining portion of the Annual Special Tax for both Residential Property and Non-Residential Property shall be levied into perpetuity.

Prior to the issuance of the first series of Non-Subordinate CFD No. 2013-3 (IA No. 10) Bonds, the termination percentages listed immediately above may be changed to reflect changes in development, without the need for any proceedings to make changes permitted under the Act.

K. NO EXTENSION OR MODIFICATION OF AMENDED AND RESTATED DEVELOPMENT AGREEMENT

Notwithstanding any reference to the Amended and Restated Development Agreement, nothing herein shall incorporate extensions to or modifications of the Amended and Restated Development Agreement in to the Rate and Method of Apportionment.

CITY CLERK OF THE CITY OF IRVINE
REQUEST FOR CITY COUNCIL ACTION

MEETING DATE: JANUARY 8, 2018

TITLE: APPROVAL OF APPOINTMENTS OF CITY COUNCIL REPRESENTATIVES TO CITY ADVISORY COMMITTEES AND GOVERNMENTAL AGENCIES

RECOMMENDED ACTION

1. Appoint City Council delegates and alternates to outside governmental agencies on which the City has representation for the 2019 calendar year.

2. Appoint City Council representatives and approve staff appointments to various City of Irvine advisory Commissions, Committees and Task Forces for the 2019 calendar year.

3. Adopt Fair Political Practices Commission Public Official Appointment Form 806 and direct the City Clerk to post an amended form to the City’s website to report any change in appointments to the governmental agencies providing stipends as determined by the City Council.

EXECUTIVE SUMMARY

Each year, the City Council appoints delegates and alternates to various outside governmental agency boards, as well as City of Irvine advisory committees on which the City Council has representation. The Mayor’s recommended appointments are considered annually for the ensuing year at the first City Council meeting in January. The rosters listing the current and proposed representatives to each outside governmental agency board are provided as Attachments 1 and 2. The roster listing current representatives to City Commissions, Committees, and Task Forces is provided as Attachment 3.

COMMISSION/BOARD/COMMITTEE RECOMMENDATION

Annual appointments to governmental agencies are mandatory and are at the discretion of the City Council.

ANALYSIS

Irvine Municipal Code § 1-2-110 requires appointments to regional boards be given consideration on an annual basis to allow all members of the City Council to have an
opportunity to represent the City in such a capacity. Delegates that are appointed are required to attend meetings as the City’s representative. Alternates would only attend meetings in the delegate’s absence. It is the responsibility of the primary delegate to inform the alternate if the former is unable to attend a scheduled meeting.

The City also has various advisory Commissions, Committees and Task Forces, some of which include representation by members of the City Council. These appointments are considered by the City Council each January or as new committees and task forces are formed.

In May 2012, the Fair Political Practices Commission (FPPC) amended Regulation 18705.5. This regulation allows Councilmembers to make, participate in making, or use their official positions to influence decisions concerning their own appointments to positions as officers of the bodies of which they are members, if the appointments are required to be made by the bodies on which the officials are members.

Councilmembers are not required to abstain voting on from their respective appointments to governmental agencies providing stipends; although, as a safeguard, the City Council must adopt and cause to be posted on the City’s website FPPC Public Official Appointment Form 806 listing each appointed position, the name of the public official appointed to each position and the stipend paid for the position. The City Council must direct the City Clerk to promptly amend Form 806 (Attachment 4) and repost the form to the City’s website to reflect changes of appointees as determined by the City Council.

Outside Governmental Agencies

Mayor Wagner’s proposed appointments of 2019 delegate and alternate representatives to outside governmental agencies are identified in the Outside Governmental Agencies rosters (Attachments 1 and 2). Attachment 1 lists governmental agencies that do not provide a stipend, while Attachment 2 lists governmental agencies that do provide a stipend. The rosters also include a brief description of each body, the 2018 designated City Council representatives, and meeting times and locations. Delegates and alternates appointed to outside government agencies generally serve one-year terms unless otherwise noted.

In-House Advisory Committees and Task Forces

Mayor Wagner’s proposed appointments of delegate and alternate representatives to serve on City advisory committees and task forces in 2019 are identified in the Roster of City Commissions, Committees, and Task Forces (Attachment 3). The roster includes a brief description of each body, the 2018 designated City Council representatives, and meeting times and locations.

Effective July 1, 2018, the Countywide Oversight Board replaced the City’s Oversight Board to the Successor Agency to the Dissolved Irvine Redevelopment Agency (Oversight Board). The City Selection Committee appointed the Honorable Steve Jones
as its representative. Staff removed the Oversight Board and appointment representatives from the matrix as a result of this change in reporting structure.

ALTERNATIVES CONSIDERED

None. Irvine Municipal Code Section 1-2-110 requires appointments to regional boards be given consideration on an annual basis.

FINANCIAL IMPACT

None.

[Signatures]

Director of Public Works
City Manager

RECOMMENDED ACTION

Receive and file.

EXECUTIVE SUMMARY

The subject notice to the City Council is provided in accordance with City of Irvine Ordinance No. 07-12, notifying the City Council of one final tract map received for review by staff and three final tract maps pending approval by the City Engineer. Ordinance No. 07-12 delegates authority to the City Engineer for approval of final tract maps and requires notice to the City Council following receipt of such maps for review and again prior to approval/disapproval by the City Engineer. The subject notice satisfies this requirement. This is a ministerial matter and there is no discretionary action to be taken by the City Council. The tract maps covering property referenced in this staff report are located in the Irvine Business Complex and Portola Springs (Attachment 1) and are available for public review in the Public Works department.

Tract Map No. 17914 (Irvine Business Complex) is located near the intersection of Alton Parkway and Von Karman Avenue, as shown in Attachment 2. The map for this property contains the subdivision of nine acres into nine lots. The property is proposed for development of 357 residential units. This development project is consistent with the Irvine Business Complex Environmental Impact Report approved by the City Council in July 2010, which considered area-wide impacts associated with the ultimate build-out for the Irvine Business Complex.

Tract Map No. 18138 (Portola Springs) is located near the intersection of Portola Parkway and Portola Springs, as shown in Attachment 3. The map for this property contains the subdivision of 13.9 acres into 55 lots. The property is proposed for development of 93 detached single-family condominiums. The Portola Springs development project is consistent with the Northern Sphere Area Final Environmental Impact Report approved by City Council in June 2002, which considered area-wide impacts associated with the ultimate build-out for residential units, open space, parks, and schools within the corresponding planning area.
Tract Map No. 18139 (Portola Springs) is located near the intersection of Portola Parkway and Portola Springs, as shown in Attachment 4. The map for this property contains the subdivision of 28.97 acres into 118 lots. The property is proposed for development of 153 detached single-family condominiums. The Portola Springs development project is consistent with the Northern Sphere Area Final Environmental Impact Report approved by City Council in June 2002, which considered area-wide impacts associated with the ultimate build-out for residential units, open space, parks, and schools within the corresponding planning area.

Tract Map No. 18141 (Portola Springs) is located near the intersection of Portola Parkway and Portola Springs, as shown in Attachment 5. The map for this property contains the subdivision of 34.9 acres into 251 lots. The property is proposed for development of 168 single-family residences. The Portola Springs development project is consistent with the Northern Sphere Area Final Environmental Impact Report approved by City Council in June 2002, which considered area-wide impacts associated with the ultimate build-out for residential units, open space, parks, and schools within the corresponding planning area.

COMMISSION/BOARD/COMMITTEE RECOMMENDATION

Prior to City Engineer approval of a final tract map, the Planning Commission reviews and approves the corresponding tentative tract map based on consistency with the City’s General Plan, Subdivision Ordinance and Zoning Code. The underlying tentative maps referenced in this staff report were approved or are scheduled for consideration by the Planning Commission as follows:

On May 5, 2016, the Planning Commission approved the underlying tentative map for Tract Map No. 17914 (Irvine Business Complex) by a vote of 5-0.

On November 1, 2018, the Planning Commission approved the underlying tentative maps for Tract Map Nos. 18138, 18139, and 18141 (Portola Springs) by a vote of 4-0-1 (Commissioners Bartlett, Duong, Kuo, and Nirschl voting yes and Commissioner Smith absent).

ANALYSIS

The approval of tract maps is a multi-step process that assures development is reflective and compliant with the City's General Plan and with respective provisions of the City's development standards. City of Irvine Ordinance No. 07-12 authorizes the City Engineer to approve final tract maps if they substantially conform to the approved underlying tentative map and all applicable conditions of approval have been satisfied. The ordinance further requires staff to notify the City Council upon receipt of such maps for review and prior to approval/disapproval of a final tract map by the City Engineer. In addition, the State Subdivision Map Act requires the approval of final maps if the City Engineer has found that the final map substantially conforms to the underlying tentative map.
The final tract maps listed below have been received and are either under review for consistency with the applicable City standards and corresponding Planning Commission tentative tract map conditions of approval, or have been reviewed and are pending the City Engineer's final approval. Following approval and a 15-day appeal period, the maps will be released for recordation. Recordation of the maps is required prior to the issuance of building permits.

**ALTERNATIVES CONSIDERED**

An alternative to this notification was not considered. Pursuant to the State Subdivision Map Act and City of Irvine Ordinance 07-12, when approval authority of tract maps is delegated to the City Engineer, notification to the City Council of receipt and approval of such maps is required.

**FINANCIAL IMPACT**

The administrative cost to the City for processing the maps is offset by developer fees paid by the applicant submitting the maps.

Re: Community Partnership Fund Grant Nomination

In accordance with City Council Resolution No. 08-42, I am requesting the City Council approve a $500 community partnership grant award to Boy Scouts of America, Orange County Council in support of program costs for Irvine Troop 622.

The Orange County Council, Boys Scouts of America serves an ever increasing number of youth by marshaling the community resources to develop tomorrow's leaders today through adventure and fun activities that instill values and teach life skills.

Should the City Council approve this request, the organization will enter into a Funding Agreement with the City that specify the grants use of funds, reporting requirements and regulatory compliance.

I would like to place this item on the January 8 City Council agenda to approve this community partnership grant award and authorize the City Manager to prepare and execute a Funding Agreement.

    Molly McLaughlin, City Clerk
I am requesting the City Council consider approving modifications to the City's standard contractual provisions regarding conflicts of interests, to prohibit City contractors from asking for or receiving services from City officials during the term of City-approved contracts.

It has come to my attention that during 2018 one of my Council colleagues provided lobbying services to another agency in the County on behalf of AECOM. At that same time, AECOM was under contract to provide hundreds of thousands of dollars of services to the City of Irvine. That kind of arrangement should not be allowed. It is not appropriate for City officials to provide services to an outside company while at the same time supervising and monitoring that company's work on a City contract.

The City has a provision in its standard contracts that prohibits a contractor from "employing" a City official during the term of a contract, but this leaves open the questions whether a "consultant" relationship is allowed, and whether compensation is required. For this reason, the City's contractual language should be tightened to simply prohibit the City contractors from asking for or receiving any services from City officials during the term of City approved contracts. If a contractor violates that requirement, the City should have the right to immediately terminate the contract.

Please include this request to modify conflict of interest provisions in city contracts on the January 8, 2019 City Council agenda for discussion and direction.
