Grievance Procedure

228.1 PURPOSE AND SCOPE
It is the policy of this department that all grievances be handled quickly and fairly without discrimination against employees who file a grievance whether or not there is a basis for the grievance. Our Department’s philosophy is to promote verbal communication between employees and supervisors.

228.1.1 GRIEVANCE DEFINED
A grievance is any difference of opinion concerning terms or conditions of employment or the dispute involving the interpretation or application of any of the following documents by the person(s) affected:

- The employee bargaining agreement (Memorandum of Understanding)
- This Policy Manual
- City rules and regulations covering personnel practices or working conditions

Grievances may be brought by an individual affected employee or by a group representative. Specifically outside the category of grievance are complaints related to allegations of discrimination or harassment subject to the Discriminatory Harassment Policy. Also outside the category of grievances are personnel complaints regarding any allegation of misconduct or improper job performance against any department employee that, if true, would constitute a violation of department policy, federal, state, or local law as set forth in the Personnel Complaint Policy.

228.2 PROCEDURE
If an employee believes he or she has a grievance as defined above, then that employee shall observe the procedures as outlined in their respective MOU.

228.3 EMPLOYEE REPRESENTATION
Employees are entitled to have representation during the grievance process. The representative may be selected by the employee from the appropriate employee bargaining group.
